

Edmonton Alberta

\$507,000

With enough room for busy families, guests, hobbies, and everything in between, this home in Trumpeter offers a layout that simply makes sense! Featuring 4 bedrooms and 4 bathrooms, this open-concept main floor includes 9 ft ceilings, a bright and comfortable living area with an electric fireplace, and plenty of space for both everyday life and entertaining. Upstairs, you'll find a bonus room that works perfectly as a second living space, playroom, office, or movie area. The primary bedrooms features its own ensuite along with two separate closets for extra storage and convenience. The fully finished basement adds even more functional living space, while the detached garage and thoughtful layout makes the home as practical as it is welcoming. Located in a growing west Edmonton community close to parks, trails, everyday amenities, and more, this is an opportunity you won't want to miss. (id:6769)
