ALERT! One of a kind home in Lewis Estates! One thing I've learned in this market, if a house is in good condition and doesn't need work, it goes fast. This 1800' 3 bed, 3 bath 2012 build looks like it was built yesterday. Everything is in like new condition from the walls to the Vinyl plank floors, to the lush carpeted upstairs. Sure it has features like AC, a gas fire place, upgrades light fixtures and a soaker tub in the ensuite, but where this place separates from the rest, it has a second garage/shop within city limits! Double 10ft doors, 12ft ceilings, fully finished and heated!! How hard is this to find, pretty much impossible. If you are someone with toys you want space to work on and store or your own business, don't miss this. It's perfect and awaiting you with a possibility of a quick possession. (id:6769)
