\$579,000

Welcome to a Coventry Home designed for living well -- complete with a SEPARATE ENTRANCE and 9' ceilings on both the main floor and basement for an open, airy feel from the start. The kitchen is where everyday moments become memories, showcasing quartz countertops, a tile backsplash, stainless steel appliances, refined cabinetry, and a walkthrough pantry that keeps life smooth and organized. The great room, anchored by a cozy fireplace, flows into the dining nook -- the perfect setting for slow mornings, family dinners, and everything in between. A mudroom and half bath add everyday convenience. Upstairs, the primary suite feels like a true retreat with a spa-style 5-piece ensuite and a walk-in closet, while two additional bedrooms, a full bath, a bonus room, and upstairs laundry offer comfort and balance for everyone. Backed by the Alberta New Home Warranty Program, this is more than a home -- it's peace of mind for the next chapter. Some photos have been virtually staged (id:6769)
