Welcome to The Elise, a thoughtfully designed 1,517 sq ft home offering bright, functional living with future flexibility in mind. Oversized windows flood the open-concept main floor with natural light, creating an inviting space ideal for everyday living and entertaining. The spacious kitchen features a large island and walk-through pantry, seamlessly connecting to the dining and great room, where a 50" electric fireplace adds warmth and style. An oversized mudroom provides exceptional storage and organization. Upstairs, the primary bedroom offers a generous walk-in closet and a private ensuite with dual sinks, while convenient upper-floor laundry enhances daily comfort. The home includes a side entrance and 9' foundation height, and a three-piece rough-in--ready for future potential development. Smart home features include a smart lock, Ecobee thermostat, and doorbell camera for added security and convenience. Photos are representative. (id:6769)
