

Edmonton Alberta

\$425,000

One of Edmonton's most sought-after loft spaces, this beautifully reimagined warehouse conversion offers nearly 1500sqft of authentic character & modern design. Located across from MacEwan University & walking distance to downtown, the Ice District, LRT, restaurants & the river valley, this unique home combines urban convenience with architectural appeal. Originally a 1950s yellow brick warehouse, the building retains its exposed brick walls, industrial concrete character & oversized windows while incorporating contemporary updates. Renovated with wide plank hardwood flooring, dramatic lighting & a modern kitchen featuring stainless steel appliances, extensive cabinetry & a large butcher block island. The flexible open concept layout is filled with natural light from its west-facing exposure. Additional features include a renovated 4 pc bathroom, in-suite laundry, built-in wardrobe storage, titled underground parking & visitor parking.
