Are you looking for a home that offers 4 bedrooms PLUS bonus room upstairs? An additional 5th bedroom in the finished basement? Is an Office/Den something that will be utilized? If so then welcome home! Main floor features soaring ceiling in the living room with gas fireplace. The huge windows allow natural light to flood the main floor and upstairs space. There is a spacious mudroom at the back and Walk thru pantry. The bright kitchen offers a large Island space, plenty of cabinets, counter top range and built in Oven. Upstairs is the great Bonus room with a second fireplace, upstairs laundry, 4 pc main bath and 4 bedrooms, including the Primary. Through the double doors you will enter the primary suite with great windows looking to the back. The ensuite features a soaker tub with separate glass shower and large walk in closet. In the basement there is a Large Rec Room or 3rd Living Space, 5th bedroom and an additional bathroom. Landscaped with 2 tier deck & fenced. A/C and heated garage. (id:6769)
