\$225,000

Up on the third floor, away from it all, a condo that answers your homebody call. Two cozy bedrooms, space just right, with two full baths to keep mornings light. The ensuite's a perk you'll truly adore, a little retreat behind your own door. Step onto balcony, breathe it in slow, with a north-facing view where city lights glow. Got wheels? No stress, as you're covered there, with a carport to park your baby with care. A storage locker for the tchotchkes you keep, the odds and sods you don't need every week. Close to university, just down the street, and the buzz of Whyte Avenue with shops, food, and treats. A friendly face, a welcome sight. You share the space, it feels just right. Your own room, your own retreat. Your own bath: privacy complete. A perfect mix of calm and cheer. Great company, with space to disappear. (id:6769)
