

Spruce Grove Alberta

\$488,230

Gorgeous two-storey that truly redefines "turn-key." The thoughtful layout offers four full bedrooms, three full bathrooms plus a convenient half bath, providing space and flexibility for families or guests. A fully finished basement was completed with permits during the original construction phase, ensuring consistent quality and no after-market shortcuts. Outside, the yard is beautifully landscaped with garden boxes and a stunning composite deck--perfect for relaxing or entertaining. The double detached garage adds function and storage, while the location places you close to local amenities and the new arena. A meticulously maintained home where the work has already been done--simply move in and enjoy. Every hole, scratch, and dent that was made while making memories has been professionally patched, repainted, and refreshed so the home shows better than new. Pride of ownership exudes throughout and no detail was missed in preparing this home for its new owners. (id:6769)
