Built by Sterling Homes, this thoughtfully designed four-bedroom home offers a flexible layout for modern family living. The open main floor features 9-ft ceilings on the main level and basement, luxury vinyl plank flooring, and a separate side entrance for added versatility. A welcoming foyer includes a full bathroom with a stand-up shower and a main-floor bedroom—ideal for guests or a home office. The bright living room features an electric fireplace and large rear windows, flowing into a stylish kitchen with quartz countertops, a spacious island, a full-height backsplash, a built-in microwave, soft-close cabinetry, and a pantry. Patio doors lead to the backyard. Upstairs, the primary retreat offers a 5-pc ensuite with double sinks, tub, and glass walk-in shower, with the walk-in closet through the ensuite. A central bonus room, upper laundry, two additional bedrooms, and full bath complete the level. Includes upgraded railings, basement rough-ins, and double attached garage with floor drain. (id:6769)
