Designed for move up families, multigenerational living, or professionals who want luxury with flexibility, this 2824 SF home in Brenton at Glenridding Ravine pairs elevated design with nature at your back door. Ten foot main floor ceilings, an open to above great room, and curated finishes create light, scale, and quiet polish. The chef-inspired, appliance-ready kitchen offers a dedicated spice kitchen, efficient workflow, and abundant storage, while a main floor office or study nook supports work and homework alike. Upstairs, two of the three serene bedrooms feature attached ensuites with spa inspired finishes, while generous closets throughout keep everything organized. Outside, the property backs directly onto the ravine and walking trail, so there are no rear neighbours and sunsets arrive with birdsong. The 1149 SF WALKOUT basement adds a large, legal two bedroom secondary suite with its own kitchen, bath, premium fixtures, and a dedicated furnace for separate utilities. (id:6769)
