Located in Blackmud Creek, this 3 bedroom condo offers the kind of space that is hard to find in apartment-style living. With three bedrooms, the layout provides flexibility for family, guests, a home office, or simply having a little extra breathing room. Luxury vinyl plank flooring runs throughout, giving the home a clean, updated feel that is easy to maintain. A walk-through closet to a 3 piece ensuite adds convenience to the large primary bedroom, with a full main bathroom nearby. From the balcony, you face toward the pond, creating a more open outlook than the typical condo view. Residents also have access to an exercise room, guest suite and party room. Included are 2 titled parking stalls: one heated underground stall with storage and one aboveground stall. Close to trails, ponds, shopping, parks and schools, this is a well-located home with more space, parking and function than most condos. (id:6769)
