Step into a warm, inviting home beginning with a large tiled foyer and flowing into engineered hardwood throughout the main floor. High ceilings and abundant natural light create an airy feel—perfect for plants. The kitchen features dark brown cabinetry, white quartz countertops, and six newer appliances, opening to a spacious dining area and versatile living space with room for multiple zones. Enjoy outdoor living with a new privacy deck and fencing. A wide staircase leads upstairs to a bright landing, cozy carpet, and consistent high-end finishes in all bathrooms, including tile matching the foyer. The huge primary bedroom offers a stylish feature wall, large walk-in closet, and 4-piece ensuite. Two additional bedrooms have great closet space, plus another full bath. Upgraded doors and quality finishes add elegance throughout. The front yard was remodelled in 2023 with a planter and reinforced paving stones, allowing for extra parking. (id:6769)
