\$459,000

This Coventry Home is built for connection, comfort and everyday moments that feel easy -- from morning coffee in the kitchen with its stylish cabinets, quartz countertops, stainless steel appliances and clean, timeless backsplash, to evenings gathered around the warm glow of the living room fireplace. The open-concept main floor makes hosting effortless and daily life smooth, with a convenient half bath tucked away. Upstairs, a bright bonus room offers space to unwind, play or simply breathe, while the primary suite gives you a place to recharge with its 5-piece ensuite and walk-in closet. Two additional bedrooms and a full bath complete the upper level, and the unfinished basement with rough-in for a future bathroom is ready for your ideas. A double attached garage and front landscaping make coming home easy, and the Alberta New Home Warranty Program adds peace of mind to it all. Home is under construction, photos are not of actual home, some finishings may vary, some photos virtually staged (id:6769)
