

Edmonton Alberta

\$760,000

Featuring 5 beds and 3.5 baths, this 2,340 sq ft home is a rare find in a cul-de-sac with no back neighbours and a show-stopping, west facing oversized backyard. The open-concept main floor flows from a large kitchen with island seating into a bright dining nook with deck access and a spacious living room centered around a tile fireplace. A den with glass doors and a walk-through pantry leading through the mudroom to the double attached garage complete this level. Upstairs, a central family room overlooks the foyer, joined by a large laundry room with a wet bar and a massive primary suite featuring vaulted ceilings, a walk-in closet, and a 5pc ensuite. The finished basement adds even more living space with a large rec room, a second fireplace, two additional bedrooms, and a 4pc bath. Perfectly located near schools, shopping, golf, the airport, and public transportation, this home is the ultimate retreat for a growing family, offering incredible indoor space and a massive backyard rarely found in the city.
