

Edmonton Alberta

$250,000

This beautiful and bright townhouse is perfect for first-time home buyers and families. With the tall ceilings in the living room, you will feel like you have even more room. The open-concept, loft-style dining room allows you to have guests relaxing on the couch or watching a game while you continue to prep in the kitchen. Up a few stairs, you will find a 4 pc bath, laundry, a bedroom, and a large kitchen with plenty of counter space and newer SS appliances. Head up to the top floor, where there are two more large bedrooms and another 4 pc bath. If that's not enough, you have a partial bsmt that can be used for storage, so nothing has to take up space in your closets. And lastly, to top it off, there is a double attached garage, so on those winter days, you never have to get into a cold car. In a great location not far from the Whitemud, so access throughout the city is easy, with parks, schools, and shopping nearby. This home is waiting for its new owners to start their next chapter in!
