Great potential in Greenview, just minutes from Mill Woods Golf Course! As you step inside, you're welcomed by a bright living room with oversized windows, along with a spacious kitchen and large dining area--perfect for everyday living and entertaining. The main floor also features a generous bedroom and a full bathroom. Upstairs, you'll find a large bonus room, two spacious bedrooms--one with its own half bath + a full bathroom, and an impressive rooftop deck. Located above the garage, this oversized deck features Dura Deck and newer railings completed within the last few years. Additional updates include newer windows in the upstairs bedrooms, a roof completed within the past 10 years, a newer hot water tank, and a new side-entry deck. The home was also roughed in for an exterior hot tub. The basement is partially finished and ready for your personal touch. Out back, the yard backs onto an alleyway and offers space for trailer parking or even the potential to build an additional garage. A must see! (id:6769)
