

Edmonton Alberta

\$189,900

Nestled in a quiet setting with no neighbours behind, this 2-storey townhouse offers a functional layout and a south-facing backyard with plenty of natural light. With 1,246 sq ft of living space, it presents a solid opportunity for buyers looking to add their own touches. The main floor includes a living area, dining space, and kitchen, along with a bedroom and a convenient half bath. Upstairs features a primary bedroom, an additional bedroom, and a full bathroom with double sinks. The basement remains unfinished, providing room for future development. The home has seen some updates, including newer PVC windows, but overall condition would benefit from some improvements—making it a great option for those looking to renovate or invest. (id:6769)
