\$575,000

Set on the coveted top-floor corner of Windermere Mansions, walls of windows frame uninterrupted views that become the backdrop to everyday life. Sunlight follows you from room to room, while each evening ends with one of Edmonton's most remarkable sunset displays—best enjoyed from the privacy of your balcony, glass in hand. The interiors are timeless and thoughtfully designed, where an expansive kitchen with granite surfaces, custom island, gas stove, upgraded cabinetry and stainless steel appliances naturally becomes the heart of the home. Open living spaces invite conversation, while the generous primary suite offers a peaceful retreat complete with a walk-through closet and ensuite. Two heated underground stalls, storage and central air add everyday comfort. The Currents of Windermere, golf courses, walking trails and countless restaurants are all just minutes away. A home where the views never get old, the sunsets never disappoint, and convenience becomes second nature. (id:6769)
