

Stony Plain Alberta

\$357,000

This classic 3 bedroom family bungalow is waiting for a new family to enjoy this home as much as the first family did. It is located in Meridian Heights. A peaceful neighborhood with an elementary school almost right across the street. Open front living room is what you will notice the moment you step inside with a big picture window that faces the front yard. Formal dining area overlooks the living room and U shaped kitchen which has plenty of cabinets and countertop space with newer white appliances. Main floor features newer 3 pane windows, 4 piece main bath and the 3 generous sized bedrooms including the primary bedroom with 2 piece ensuite. Head downstairs to the fully finished basement which includes a second kitchen, livingroom, office, 3 piece bathroom and laundry room. Recent new shingles plus HEATED DOUBLE OVERSIZED garage with rear alley access and an enormous fenced backyard with so much room for the kids to play! Great combination, clean home with plenty of value. (id:6769)
