Nestled directly across from Julia Kiniski School and the community league, this warm and welcoming 4-level split offers a highly functional layout that feels much larger than its 965 sq ft. Perfect for a family, there are 2 bedrooms and a 4-pc bath upstairs, 2 additional bedrooms and a new 3-pc bath (2025) on the third level, and a partly finished playroom with a climbing wall and tons of storage on the fourth level. The primary bedroom serves as a cozy retreat with a walk in closet and a built in electric fireplace. Extensive updates offer total peace of mind: fresh carpet (2026), a new kitchen (2024), plus a new furnace, windows, and exterior (2021). The property features a new deck, fence, landscaping (2023), and a perfect layout to build a future garage. Enjoy quick access to the Whitemud, beautiful green spaces, playgrounds, schools and community events. The Mill Creek Ravine trails, Tamarack shopping, and Jackie Parker Park dog park/golf course are all within quick biking or driving distance. (id:6769)
