What if everyone in your family could have the space they need without living separate lives? In Lake Summerside, this 3,241 SF home was made for a full house. Four bedrooms upstairs include two primary suites, giving parents, older kids or extended family room to live comfortably under one roof. The main level brings everyone back together with 10' ceilings, hardwood floors and generous spaces for cooking, gathering and hosting. Downstairs, a legal 2-bedroom suite with its own entrance creates rental income or another layer of flexibility. Outside, summer nights belong on the covered deck with motorized screens, a fire pit ready yard and permanent lighting. Add a heated oversized triple garage with EV charger, whole-home audio and access to one of Edmonton's most loved lake communities. 7 bedrooms. 5 bathrooms.
