Welcome to the VALENTINE floor plan--where striking design meets smart functionality. With a beautifully upgraded farmhouse exterior and 2,399 sq ft of thoughtfully crafted space, this home is truly breathtaking. Inside, you'll find a front-facing bonus room that floods with natural light, two spacious secondary bedrooms connected by a stylish Jack and Jill bathroom, and a seamless upstairs laundry room for everyday ease. The main floor offers a versatile den or home office, perfect for remote work or quiet study. Every detail has been designed with comfort and style in mind, making this home a standout choice in today's market. Home is under construction and at this phase allows for custom interior finishes and selections to be discussed. (id:6769)
