\$1,859,000

Step into a bespoke estate in River's Edge Keswick, where every detail whispers sophistication. With nearly 4,000 SF of elevated living, this 5 bed, 6 bath home is a designer's dream - from rich hardwood floors on both levels (and stairs) to a showstopping folding patio door that seamlessly merges indoor and outdoor living. Entertain in a sleek chef's kitchen with panel-ready cabinetry, under-cabinet lighting, and custom metal touches including a statement hood fan, pantry door, and open shelving. The 10' ceilings add drama, while iron railings, LED-lit closets, and curated designer lighting elevate every room. A screened deck overlooks your private sanctuary, and the triple garage (with epoxy floors) and oversized driveway deliver ultimate function. With a separate basement entry and luxe finishes throughout, this is more than a home; it's a statement. (id:6769)
