

Leduc Alberta

\$369,900

Space galore with the added great room makes the house feel larger than its square footage, giving it a central hub that ties everything together. With six bedrooms, you have flexibility: kids' rooms, guest rooms, hobby spaces, or even a quiet reading nook. It's the kind of home where you could host a lively holiday dinner in the great room, then step outside to watch kids play in the yard, all while knowing there's plenty of private space downstairs.
