Close to nature in this serene Kinglet neighborhood is this fantastic home. With over 2,000 square feet of living space, this home is all done up from the basement to the second floor inside to the fully landscaped yard outside. There's a lot of space for you and your family to grow into. It features a finished walkout basement with standby rough-ins ready for a legal suite, a den on the main floor, a total of 4-bedrooms (with 3 at the second floor and one in the basement) and a bonus room at the second floor. There are 3 full baths and one half bath. The kitchen boasts of a chimney hoodfan with backsplash all throughout. There's plenty of cabinets and drawers. The large-sized island is perfect as buffet table for those parties and get-togethers. This property is well-priced for its value. Come to appreciate! (id:6769)
