Welcome to this beautiful home built by Sterling Homes in NW Edmonton's peaceful Kinglet Gardens! It offers the perfect mix of quiet nature and city convenience, located just minutes from the famous West Edmonton Mall. The house feels incredibly bright and open thanks to nine-foot ceilings on both the main floor and in the basement. Tough, easy-to-clean vinyl flooring flows through the main level. The gorgeous kitchen features smooth quartz countertops, and soft-close cabinets. Right next to it is a cozy living room with a warm fireplace. Upstairs, a fun bonus room is ready for movie nights. The main bedroom has a giant walk-in closet and a private bathroom with double sinks, a deep tub, and a glass shower. Two more bedrooms, top-floor laundry, and a rare walk-out basement with direct backyard access complete this perfect family home. (id:6769)
