Welcome to this well maintained, move-in-ready bungalow tucked into Ottewell; an established community just minutes from downtown, top-rated schools and everyday amenities. The bright, inviting main floor is filled with natural light from large windows and features warm barn-plank flooring. The updated kitchen flows into the dining and living areas, while the main bathroom adds a clean, contemporary touch to the main floor. French garden doors lead directly out to a sunny, south-facing cedar deck. Thoughtful updates over the years include a shingles, eaves, attic insulation, front door and the comfort of AC. Downstairs, the unfinished basement offers a blank canvas ready for your custom vision or extra storage. For hobbyists, mechanics, or anyone needing serious workspace, the backyard is a standout. The oversized double detached garage has its own 100AMP service, so power is no issue. A huge rear parking pad, plus a large powered storage shed with additional attic space give you tons of extra space. (id:6769)
