

Edmonton Alberta

\$365,000

1034 sq.ft. 3+1 bedroom, 3 full bathroom home with a finished basement. It needs a facelift throughout, but it is well laid out with a large living room when you enter the front door, U-shaped kitchen with dining area, primary bedroom with 3-piece ensuite, 2 bedrooms, and a full bathroom. The basement is finished with a rec room, full bathroom, bedroom, and tons of storage. The south-backing yard has the double garage and is backing the Henday (but the berm keeps the traffic noise down). Located in a community close to schools and amenities, this is a great property.
