MacTaggart is one of southwest Edmonton's most sought-after communities, and Unit 20 at MacTaggart Ridge Townhomes puts you right in the heart of it. Facing green space and a pond, this is the kind of view that makes you actually want to come home. Steps from Freson Bros Fresh Market, minutes to the Anthony Henday, and surrounded by the scenic walking trails and constructed wetlands that make MacTaggart special, the location does a lot of the heavy lifting. The ravines and natural woodland habitats nearby give this neighbourhood a feel that newer suburban communities rarely pull off. Inside, the main floor flows from a generous living room into an open kitchen with ample counter space, a pantry, and direct deck access with a gas BBQ hookup. A 2-pc bath completes the level. Upstairs: three bedrooms including a primary with walk-in closet and 3-pc ensuite, plus a full 4-pc bath. Double attached garage and in-unit laundry round it out. Low-maintenance living w/ the best views in the complex! (id:6769)
