\$223,900

One of a kind in the heart of downtown Edmonton – this immaculate 1 bedroom suite at Icon II comes with a massive 12x22ft private patio, effectively adding another 265 sq ft of living space you won't find in most condos this size. South and west facing, it catches sun from morning through sunset, making it perfect for entertaining or simply relaxing above the city. Inside, the open-concept layout features a U-shaped kitchen with a large breakfast nook, granite countertops, and stainless-steel appliances. Large windows throughout fill the suite with natural light. The spacious primary bedroom includes a walk-in closet and direct access to the 4-piece bathroom. In-suite laundry, titled underground parking, and secured building access round out the practical features. Located steps from downtown's best boutique shops, cafes, restaurants, and the beloved 104 Street Farmers' Market in the summer -- this is downtown living at its finest. (id:6769)
