Welcome to the biggest 1 bed condo in the prestigious crescent place Glenora. Big living and dining rooms are nicely connected with kitchen. The bedroom can easily fit king size bed along with a huge double closet + linen closet attached to it. Kitchen is still in good condition as is the bathroom. Balcony is huge for bbq and nice flowers in summer time. Fantastic view of the city and all the amenities that you need. If you like salt swimming pool, sauna for cold days and the gym under the same roof then don't look any further. It is steps away from bus station and future LRT, which means in a few min you are at the UOA, downtown, shopping centers, Ravine park and coffee shops with restaurants. Night security is there too. Small pets welcome. Perfect for retired people, students, or single professionals. Great opportunity to own instead of paying rent. (id:6769)
