

Edmonton Alberta

\$574,900

Welcome home to the Family Evolve includes an interchangeable dining and gathering room, depending on your preference for layout. The main floor den is ideal for a homework room or can be made into an additional space for overnight guests to stay. The upper floor has two spacious rooms for the kids, or you can add an additional bedroom for your evolving family. The primary suite with walk-in-closet and luxurious ensuite is your personal sanctuary after caring for everyone in your household. Additional features in this home include Whirlpool stainless steel kitchen appliances with chimney hoodfan, a 5 piece ensuite with stand-alone soaker tub, electric fireplace, quartz counters throughout and luxury vinyl plank flooring throughout the main floor.

**** This home is under construction and will be completed very soon the photos used are from a previously built home of the same design , colors and finishings may vary*** (id:6769)
