Just outside of Stony Plain at The Views at Willow Peak is where you will find this fantastic 5 bed/4 bath WALKOUT two-storey home. Pride of ownership is evident from the manicured 2.25 acre lot, and right through the interior of the home. Amazing country kitchen is open to the window surrounded dinette which is steps away from the vaulted living room with f/p. New vinyl plank on main floor also takes you to the primary bedroom with ensuite, jacuzzi tub, walk-in closet and garden door to one of the decks. A 2 piece bath and extra large rear entry closet round out the main floor. Upstairs you will find 2 more bedrooms, a den and a 4 piece bathroom. Downstairs hosts the family room, 2 additional bedrooms, laundry and another 4 piece bathroom. You'll surely enjoy the partially covered multi level decks overlooking the fenced yard, firepit area and trees. Discover the paths in the trees along with the pond.
