Come home to your own steam shower, thoughtful upgrades and versatile spaces come together! The spacious, open floor plan is filled with natural light, creating an inviting setting for everyday living and entertaining. Enjoy stainless steel appliances, a cozy wood-burning fireplace, wet bar and relaxing steam room. The generous primary suite features a private ensuite and walk-in closet. Thoughtful details include magnetic walls, smart switches and stunning exterior Gemstone lighting for year-round ambiance. In 2015, the mechanical systems were replaced, including the furnace, air conditioning, hot water tank and humidifier. The backyard is ideal for entertaining, with a patio perfect for summer gatherings. A studio in the garage offers an excellent work-from-home office, creative space or private retreat. With its open design, unique amenities and inviting indoor-outdoor spaces, this home offers an exceptional blend of comfort, function and style. (id:6769)
