The Maverick model built by Daytona Homes is built for easy, everyday living -- and with no condo fees, it's a home that gives you more freedom from day one. Mornings in your spacious kitchen, casual dinners that turn into longer conversations, and a home that feels comfortable from the moment you walk in. The main floor brings people together without feeling crowded, with a natural flow that works for hosting friends and quiet nights in alike. Upstairs, it's about having your own space to recharge. Bedrooms that feel private, laundry exactly where you need it, and the flexibility to shape the extra space into whatever life calls for next -- a home office, a lounge, or something entirely your own.
