

Spruce Grove Alberta

\$699,900

*** Considering Stoneshire? Here's Where To Start... *** If you live in Spruce Grove, you likely have more than a couple vehicles and possibly a trailer/toy-hauler or RV, so a Triple Attached Garage and EXTRA long/wide driveway should be at the top of your list. And if you require extra bedrooms for children and guests, then this FOUR Bedroom Home (All four are upstairs, Bdrms 2/3/4 are separated from the Primary for privacy *wink*) is perfect. (Also, check out that ensuite!) But I also need one of those bedrooms for an office! Don't worry, you should find a house with a main floor den to solve that problem. But we entertain a lot, and need an open concept main floor...With a beautiful kitchen! Yup, that's definitely important. And I don't want to do any landscaping! It's messy! Perhaps you want to find a home that's been 100% ZERO-scaped (no lawn mowing required). Dear Buyer, if this sounds like you? Welcome home to this Canyon Spring-built beauty at 75 Lilac Bay! (FYI: Hot tub/pergola included). (id:6769)
