Welcome to this well-kept custom-built home in the heart of Maple. This Coventry built home is situated right around the corner from the walking trails and local playground. As you enter, you'll be greeted by a wide foyer leading into an open floor layout with 9-foot ceilings and a chef's kitchen. The dining area which over looks the massive back yard is perfect for entertaining. The upper level has a large bonus room with large windows for that extra natural light; the primary bedroom is large enough to fit a king size bed and has a 5-piece spa like ensuite. The additional two bedrooms are a good size and share a full batch. This level also has the laundry room. The basement is full finished and comes with an additional massive bedroom, a 3-piece bath and a very large rec room perfect for entertaining or a larger family needing more space. The property is full landscaped and fenced. Close to all amenities with east access to the Henday and Whitemud. (id:6769)
