

## Edmonton Alberta

\$429,000

Meticulously maintained property in a growing neighborhood that is turn key and ready for new owners. With a beautiful park and spray park solely for residence of the neighborhood its the perfect finishing touch to making this a great family home. With planned further development both residentially and commercially in and around this neighborhood its a great long term investment as the neighborhood grows. The home itself is the epitome of warmth and shows beautifully. With upgrades including lighting, air conditioning, Natural gas hookup on upper deck to name a few. Its surely one not to miss out on in this busy summer market. (id:6769)
