Beautifully renovated, and upgraded apartment featuring a spacious balcony with an excellent view. This well-designed unit offers two bedrooms (one larger and one smaller), a generous living room, and a functional kitchen with a cozy breakfast nook. The home has been tastefully updated with hardwood flooring, ceramic tiles, and newer kitchen cabinets, creating a modern, and comfortable living space. Conveniently located just a short walk to Northgate Mall, with easy access to schools, parks, public transportation, and only a 5-7 minute drive to Downtown. This is an excellent opportunity to own for less than the cost of rent. The building is well-maintained and updated, with newer windows, balcony doors, paint, and flooring. Low condo fees include all utilities. Underground parking is available at an additional cost. The building is very secure, and features regular security patrols for added peace of mind. (id:6769)
