A bungalow beauty, ready for YOU In a neighbourhood calm, where the tall trees sway, sits a bungalow gem--you'll want to stay. Five cozy bedrooms, two and a half baths, modern and charming, it checks all the paths. Step into the kitchen, two-toned and sweet, mint and almond where function and style meet. With counters and storage, there's plenty of space, for pancake mornings or dinners with grace. The eat-in kitchen invites you to dine, share laughs and stories over good food and wine. The primary suite? A peaceful retreat -- with ensuite access that's simply neat. Downstairs you'll find a basement done right, room for the in-laws or teens overnight. A separate back door with suite potential, this home's design is truly essential. But the backyard--oh, it's magic, no less, with firepit evenings and zero stress. A gathering space, where memories grow, under warm string lights and firelight's glow. Close to good schools and shops just near, a perfect place for all you hold dear! (id:6769)
