

Edmonton Alberta

\$849,900

For those who seek the exceptional. A rare development opportunity for your dream home on Edmontons most desirable streets. Strathearn Crescent offers an expansive downtown skyline view. With 60 of frontage, the design opportunities are endless! Rooftop patios with unobstructed views, garage suites, and more. Plus the current home can be rented while design plans are being made. There is no better setting for your custom built estate than a lot with picturesque views from every window and quick access to both walking trails and downtown. (id:6769)
