This 5 bedroom, 2 bathroom bungalow in Bonnie Doon comes with a second kitchen and separate entrance, and sits on a rare 50 by 122 foot lot. Bonnie Doon has a way of pulling people in and keeping them there, and once you see this place you'll understand why. The second kitchen and separate entrance give you flexibility from day one. Step outside and everything you'd want is close by with Cafe Bicyclette, The Colombian, & Duggan's Boundary just moments away. Also quick access to the Bonnie Doon LRT, Faculte Saint-Jean, and the river valley trails whenever you need to get outside. It works for a first time buyer who wants to put down roots and grow into the space, and it works just as well for an investor or developer who sees what a 50 foot lot in a walkable, transit connected neighbourhood is worth. Come see it and figure out which path makes sense for you. (id:6769)
