

Rural Parkland County Alberta

\$1,400,000

Some homes are just houses - this one is a life upgrade. Completely renovated and move-in ready, this 1,600 sq ft lakeside retreat sits on the shores of Jackfish Lake -- a full recreational lake where the only thing that changes with the seasons is how you enjoy it. It's the morning coffee on the two-tiered deck while the lake sits glass-still. Evenings around the stone firepit as the sun drops behind the treeline. The kind of quiet that's genuinely hard to find -- made possible by the treed backdrop that delivers both privacy and unobstructed access to the lake. Inside, the renovation is exquisite: exposed beam ceilings, wood-burning stone-facing fireplace, Chef's kitchen & modern accents throughout. Year-round mechanicals mean this home works as a full-time residence, not just a seasonal escape. Peaceful. Private. Fully loaded. The lake is calling... this is your answer. (id:6769)
