Some homes give you more space. This one gives your family a better way to live. Set in Lake Summerside, this 2,860 sq ft two-storey feels like the move-up home you have been working toward. The main floor makes an immediate impression with an open-to-above living room, soaring windows, a floor-to-ceiling stone fireplace, formal dining area, and a private den behind French doors. The kitchen is built for real family life and easy hosting, with quartz counters, ceiling-height cabinetry, a large island, walk-through pantry and built-in appliances. Upstairs, the vaulted bonus room gives everyone a second place to gather, while the spacious primary suite offers a calm reset with a 5-pc ensuite and walk-in closet. Add 3 bedrooms, 2.5 baths, heated garage, composite deck and triple-pane windows. Then there is Summerside itself: private lake, beach club, swimming, tennis, skating, and a community lifestyle that actually delivers. (id:6769)
