UNIQUE ACREAGE IN THE CITY OF EDMONTON!! In the very sought after Horse Hills community! Sitting on 0.55 acres is just over 1100 square feet with a double detached garage and a huge shed (another single garage). The property is very well maintained over the years. Options are endless here, live in the home, expand the home, tear it down and build your dream home, rent out the home and hold the land. An acreage lot within the city limits is extremely hard to find and potential is limitless! The property is more spacious than the square footage shows. The property features it's own bored well.
