\$1,099,900

An unrivaled setting that is elegantly woven through Mill Creek Ravine. This residence offers 3 levels of outdoor living that fully immerse you into the trees. Inside is over 2300sqft of meticulously finished living space. The main level presents a stylish epoxied concrete floor that is beautifully complemented by custom cabinetry and oversized windows, filling the home with natural light. The 2nd level creates a primary retreat with spacious bedroom paired with 5pc ensuite and walk-in closet. Additionally a second bedroom that has been designed to create the ultimate workspace. For your art creations, daily office space, or anything else. This room is a private getaway with a 3rd floor patio situated within the treetops. The lower level is an extension of the home. A walkout basement offering access to the stunning backyard space. This level also features 2 additional bedrooms, living room and 3pc bath. The home is completed with heated floors throughout with GeoThermal system and double attached garage. (id:6769)
