

Edmonton Alberta

\$495,000

This is the kind of home that just makes sense. A thoughtfully designed 4-level split that gives everyone their own space while still feeling connected. The main floor is warm and welcoming with a bright living room, dining area for family dinners, and a kitchen designed for everyday life. Upstairs, 3 bedrooms create a peaceful retreat, with the primary suite featuring its own ensuite for added privacy. The lower level is where the flexibility shines. A fourth bedroom, full 3-piece bath, bar for entertaining, and direct access to the backyard. Movie nights, teenagers, guests, or even a home office, it's ready for whatever you need. The basement is a spacious rec room, laundry, and storage room to complete the home. With a beautiful backyard oasis, upgrades throughout, and updated mechanical systems, this well-maintained, turn-key home is ideally located near shopping, schools, and public transportation. It is ready for its next chapter. (id:6769)
