Extraordinary architectural masterpiece in prestigious East Crestwood. This custom-designed bungalow sits on a massive 92' x 145' lot, offering a rare level of privacy and estate-scale living. Boasting over 2,300 sqft above grade with 4 bedrooms and 3.1 bathrooms, the home was originally built in 1956, with an addition and extensive renovations completed in 2008. The interior features world-class walnut finishes and a custom Heart kitchen with professional high-end appliances and double ovens. Main floor laundry and 6-zone built-in audio throughout. The lower level features substantially increased ceiling height—perfect for additional bedrooms, a gym, or dual executive offices. Peace of mind is guaranteed: HardieBoard siding, 2018 roof with premium laminate shingles, and a full weeping tile system. The private oasis includes professional landscaping, an underground irrigation system, perennial and vegetable gardens, and a stunning patio stone area surrounding the 16' fire pit.
