This spacious home is tucked away in a pie-shaped lot, surrounded by mature trees, in a quiet corner of LaPerle, with a cul-de-sac feel! Upstairs you'll find FOUR bedrooms with newer carpet, including a large primary with a 4-piece ensuite, and 4-piece bathroom for the family. On the main floor: a bright front living room with vinyl window (replaced 2017), newer hardwood in the dining room, a roomy kitchen with a newer dishwasher, family room with wood-burning stove insert, 2-piece bathroom, plus a convenient laundry space with a newer dryer. The partly finished basement is roughed in for a future 4th bathroom and has space for a 5th bedroom. Updates include: roof (2018), furnace fan motor (2023), water heater (2021, under warranty), back fence (2024), and exterior wood trim painted in 2023. In the backyard, dappled in shade, find a playhouse with a sandbox and swings for the kids!
