Infill North presents The Pembina. This infill is like no other, and was designed to be eye-catching from the moment you pull up. Situated on a 33' lot on a stunning tree canopied street, this 2200+ square foot home is pushing the boundaries of what you should expect in a home in our city. 10 foot ceilings, main floor den, huge windows...the list goes on. High end finishes throughout, with more than a few unique features that must be seen in person to appreciate. Come see for yourself why Infill North works in communities they love; communities with amazing people who want to live centrally and bring life into the city we love. **This home has not yet started construction. We would love to work with you to create your perfect dream home. Permits have been pulled, so construction can start soon**. Virtual tour and interior photos are from 11133 66st, which has the same interior layout, as is available to be toured. (id:6769)
